February 2023

## Ola Onabulé

After **Ola Onabulé's** success last week with the [Orchestra Jazz Siciliana](#) conducted by Maestro Antonino Pedone with a record four sold outs at the historical Real Teatro di Santa Cecilia in Palermo - Ola prepares for his trips to Estonia, Latvia, and Sweden in March to

perform with the Latvian Radio Bigband and Liepāja Symphony Orchestra, Latvia, The Gotland Big Band in Sweden and Symphonic Orchestra in Estonia.

**The Sicilian Jazz Orchestra** was conducted by the wonderful **Ninni Perdone** who gave so much attention to the detail of Ola's music. A magical week working with such fabulous musicians.

The Brass Foundation (home of the orchestra) has hosted the greatest protagonists in the history of African American music: Dizzy Gillespie, Miles Davis, Art Blakey, Max Roach, Sun Ra, Ornette Coleman, Chet Baker, Bill Evans, Michel Petrucciani, Dexter Gordon, Joe Henderson, Frank Sinatra, Pat Metheny, Sarah Vaughan.

The photos were taken by the talented Sicilian photographer Arturo Di Vita. To see more from this collection please check this link below.
